

Woman Jumps From Window. When Maria Johnson, a tailor, started from her home at No. 31 North 10th Street, Williamsburg, to go to work at 8 o'clock this morning, she found the body of her wife in the front yard. She told the police she had been ill and had threatened several times to jump from her bedroom window, which was on the fourth floor.

### NEW LIQUOR TAX DRIVES OUT 300 SALOON KEEPERS

Free Lunches to Go and Pint of Beer to Cost 15 Cents.

With the 25 per cent. increased liquor tax, which became effective today, 300 saloonkeepers in Manhattan and the Bronx failed to apply for a renewal of their licenses. There were only 2,216 saloonkeepers in Manhattan who paid the increased tax of from \$1,200 to \$1,500, and this also included hotels and clubs.

In saloons where pints of beer are sold the old scale has been increased from 10 to 15 cents. On the increased tax the city gets no benefit, the \$100 going to the State. The Legislature failed to provide in the amendment that any percentage should go to the city, so while the State gains the city loses.

Deputy Excise Commissioner McAvoy said today that the liquor business in Manhattan is on the wane, as shown by the number of saloonkeepers who failed to renew their licenses.

A war tax also is placed on the saloonkeepers, ranging from one cent to twenty cents. To the one-dollar tax on a barrel of beer an additional fifty cents has been added.

A number of saloonkeepers are thinking of doing away with free lunch to keep down expenses.

### THIEVES GET \$13,000 IN GEMS

Two From New York in Sensational Philadelphia Robbery.

PHILADELPHIA, Oct. 1.—Two New York thieves shattered a window of the jewelry store of John D. and Harry C. Kennedy at No. 102 South Thirteenth Street at 10:30 A. M. today, stuffed their pockets with diamonds and other gems valued at \$13,000 and ran in different directions.

One of them sped down Thirteenth Street, engaged in a revolver fight with a mounted patrolman who pursued him, and immediately after the fugitive ran into the arms of an policeman and was overpowered after a hard fight.

To the police he described himself as Nathan Heller, thirty-three years old, of Avenue B, New York City. He said that he and his pal had only come to this city from New York an hour or two before the robbery.

### BLESSINGS AWAIT ELOPERS.

Mr. and Mrs. Richard Ray Two Years Home Without Fear.

Two years ago, Richard Ray, a young man of 21, and Miss Janet Thompson, a young girl of 19, eloped from their home at No. 210 West 10th Street, New York City, to a small town in Pennsylvania. They were absent for two years, but returned home without fear of their parents.

### Ray, a Close Friend, Had Also Eloped.

Ray, a close friend of the young couple, had also eloped. He was the manager of the party given at the home of the young couple in the town in Pennsylvania. They were absent for two years, but returned home without fear of their parents.

### Such and Ladder Truck and the corner of the Atlantic Avenue station had been pulled out.

The little girl was in a badly injured condition when she was taken to St. Mary's Hospital. Her mother's body was found in the gutter and the ladder truck and the corner of the Atlantic Avenue station had been pulled out.

## INTERNATIONAL MERCANTILE MARINE COMPANY

To Holders of Preferred Stock:

The Committee, as a result of the examination being made on its behalf of International Mercantile Marine Company, is now in a position to make the following announcement:

It appears from the records of the Marine Company that during the month of March, 1915, it was in a position to pay all interest then in default upon its bonds, and that by order of its board of directors the Chairman of the Reorganization Committee, who is President of the New York Trust Company, the Trustee under the mortgage, was notified of this fact. Such a default cannot be made the basis for declaring the principal of the bonds due, and the Committee is advised that the pending foreclosure suit can be successfully defended, that the present receivership was unnecessary and that it could have been avoided by the board of directors of the Marine Company.

The preliminary report of Messrs. Ernst & Ernst, the accountants for the Committee, states: (1) Exclusive of depreciation and new war tax, and also exclusive of undivided earnings of the Thompson & Co., Limited, Shaw Savill and Albion Co., Limited, Holland-America Line, but after deducting all current interest charges, including bond interest (amounting to \$2,029,770), the earnings of the Marine Company for the seven months which ended July 31, 1915, were over \$11,000,000, in addition the Marine Company's share of the earnings of the Leyland Line for said period were over \$7,000,000, for the month of July, 1915 (the latest figures available), such earnings of the Marine Company, including the Leyland Line, were over \$5,500,000.

(2) The Marine Company was at all times during the month of March, 1915, and thereafter in a position to pay all back interest and current interest on its bonded indebtedness. On March 31, 1915, the last day to cure the six months default in the payment of interest on the 4 1/2% bonds, there was a deposit in cash to the credit of the Marine Company, and subsidiary companies, \$8,439,394.

(3) Many of the assets and particularly investments in other steamship companies are carried on the books of certain of the Marine Company's subsidiary companies at values far below their real worth.

(4) The property and assets of the Marine Company, including ships, securities and cash, but excluding good will, trade routes and one like, are, excluding inter-company accounts, obviously of a value largely exceeding the bonded debt and other indebtedness of the Marine Company and its subsidiary companies.

The Committee does not intend to permit this valuable property to pass under the present reorganization plan which presents to the bondholders the entire property, with its present enormous earnings, except the insignificant portion of the equity left to the stock. The examination of the affairs of the Marine Company is proceeding, and arrangements are being made for the defense of the pending foreclosure suit.

Holders of preferred stock who desire to protect their rights from sacrifice, and who do not intend to surrender their property at the invitation of the bondholders so that they (the bondholders) may reap substantially all the benefit of the earnings, are urged to immediately deposit their preferred stock and thereby aid the Committee in its efforts. Deposits should be made with CENTRAL TRUST COMPANY OF NEW YORK, at its office, 54 Wall Street, New York City. Certificates of deposit will be issued for all deposits made. Copies of the Deposit Agreement may be obtained from the Secretary of the Committee. A substantial amount of preferred stock has already been deposited.

Dated, September 29, 1915.
